

JOHCM Global Select Fund

Fund overview

- The Fund aims to generate long-term total returns through active management of a concentrated portfolio of listed global equities securities
- Fund managers Christopher Lees and Nudgem Richyal have a growth at a reasonable price (GARP) philosophy and aim for consistency of returns by exploiting multiple market anomalies/inefficiencies
- They believe that they increase the probability of finding attractive stocks by looking where traditional growth investors do not look: stocks early in the growth life-cycle, off the beaten track, or in out of favour areas of the stock market that are recovering
- SFDR classification: Article 8. Please click [here](#) for further details
- Benchmark: MSCI AC World Index
- The Fund is managed on an 'unconstrained basis' with no restrictions in terms of regional or sector allocation versus its benchmark
- Please see the [Prospectus/KIID/KID](#) for further information. Please ensure you read and understand these documents before making an investment and wherever possible obtain professional advice

The value of an investment and the income from it can fall as well as rise as a result of market and currency fluctuations and you may not get back the amount originally invested. For further information on risks please refer to the Fund's KIID/KID and/or the Prospectus. Investing in companies in emerging markets involves higher risk than investing in established economies or securities markets. Emerging Markets may have less stable legal and political systems, which could affect the safe-keeping or value of assets. The Fund's investment include shares in small-cap companies and these tend to be traded less frequently and in lower volumes than larger companies making them potentially less liquid and more volatile. NAV of Share Class A in USD, net income reinvested, net of fees. The A Dis USD Class was launched on 19 March 2013. During the period 1 August 2012 to 19 March 2013 the performance record is based on the pre-existing share class that had a higher management fee. Performance of other share classes may vary and is available on request.
